

Participant and Resource Person Management System (Salesforce Portal)

Using Collaboration Group Space by Project Participants, Resource Persons, and NPOs/Implementing Organizations

Asian Productivity Organization

1 Logging into the Salesforce Portal

After a participant is selected for an APO project and the LAc is issued, a user account is created on the Salesforce portal. Participants can login to the following Salesforce portal using the email address and password:

Portal URL: https://apo.my.site.com

2 Accessing the Collaboration Group Space by Project Participants, Resource Persons, and NPOs/Implementing Organizations

Participants, resource persons, and implementing organizations can use the Collaboration Group space for posting messages and downloading project-related documents.

i. After logging into the Salesforce portal, select the "Collaboration Group" link.

ii. Select the project code for the Collaboration Group space to be accessed.
